

## Modification of Units

We have had several requests over the summer for modifications to units. All Providers affected by the proposed modifications have been informed and we are holding an electronic panel on 22 October. The changes are for the following units / Diplomas. If you would be interested in attending the panel please get in touch – [acesstohe@skillsedugroup.co.uk](mailto:acesstohe@skillsedugroup.co.uk)

| Diploma(s)  | Unit Title   | Request                 |
|---|--|-------------------------|
| Criminal Justice<br>Education Professions<br>Health Science Professions<br>Humanities and Social Sciences<br>Policing | Sociology: Research Project                                    | Unit Amendment          |
| Criminal Justice<br>Education Professions<br>Humanities and Social Sciences   | History: Research Methods: Project                             | Unit Amendment          |
| Criminal Justice<br>Humanities and Social Sciences<br>Psychology<br>Policing  | Psychology: Research Skills: Project                           | Unit Amendment          |
| Education Professions   | Study Skills: Work Experience                                  | Moving Optional to Core |
| Education Professions<br>Health Science Professions<br>Humanities and Social Sciences                                 | Social Policy: Poverty in Contemporary Britain                 | Bar unit with CER248    |
| Education Professions<br>Health Science Professions<br>Humanities and Social Sciences                                 | Sociology: Social Inequality                                   | Bar unit with CER207    |
